Product Information

AVENO Mineral Super 15W-50

0002-000013

Description

AVENO Mineral Super 15W-50 is a mineral multi-grade engine oil for petrol and diesel car engines with or without turbocharging and commercial vehicle engines. It facilitates extended oil change intervals as per the manufacturer's instructions. AVENO Mineral Super 15W-50 is characterized by its good cold starting properties, minimization of fuel consumption, friction and wear. With AVENO Mineral Super 15W-50, a reliable and heavy-duty engine oil has been developed.

Instructions for use

AVENO Mineral Super 15W-50 is an engine oil for year-round use, and is suitable for petrol and diesel car engines and commercial vehicle engines. AVENO Mineral Super 15W-50 can be used in engines with the specifications indicated. The operating instructions of the automobile and engine manufacturer must be observed.

Quality classification

Specification

• API SF/CD

Properties

- Good cold starting properties, even at low temperatures
- Good detergent and dispersing properties
- Extensive protection against wear, corrosion and foaming
- Neutrality towards sealants
- Suitable for catalytic converters
- Prevention of black sludge formation

• A stable and excellent viscosity behavior

A very good shear stability A high oxidation stability
